

VREDSC Draft Minutes
September 12th, 2013

Meeting for VREDSC committee was convened at 6pm on September 12, 2013 at Jamaica Village School to discuss the State Board of Education's decision to reconsider and reject the one vote one town provision of Article 12. Also discussed were options for future information meetings. Bucky made a motion and Bruce seconded that motion to recommend that Steven and Emily review Article 12 and produce wording in a new draft that was acceptable to the SBE. After discussion, the motion was passed with one abstention. The Committee meeting was suspended at 6:50pm to begin the Jamaica information meeting. The committee meeting reconvened at approximately 8:45pm to discuss future plans. It was decided that we would have the information meeting in Windham on September 17th as originally planned. Further plans would be discussed later pending SBE rulings.

Respectfully yours,

Bruce Parlman
