

POLICY: STUDENT CONDUCT AND DISCIPLINE

Policy

It is the policy of the Leland and Gray Union School District to maintain a safe, orderly, civil and positive learning environment. In order to ensure that the school is free from disruptive misconduct, a system of classroom and school management practices, supported by consistent, clear and fair disciplinary procedures, will be utilized. The goal of this policy is to create an environment where the rules for student behavior are clearly stated, are understood and accepted by students and staff, and are applied in compliance with due process requirements. This policy is to be applied in conjunction with the school's overall discipline plan developed pursuant to 16 V.S.A. § 1161a.

Student Responsibilities

It is the responsibility of each student to contribute to a safe and productive learning environment in the school by demonstrating respect and consideration for fellow students and adults. This includes complying with all policies and rules of conduct of the School District and individual classrooms.

Administrative Responsibilities

The Principal, in consultation with the educational staff, will develop an overall discipline plan pursuant to 16 V.S.A. §1161a.

The plan will include clear guidelines for student behavior. The guidelines for student behavior will include prohibitions against the possession by students of knives, weapons and dangerous instruments while at school, and shall allow disciplinary action up to and including expulsion for violations of the prohibition against knives, weapons and dangerous instruments that are not possessed at school as part of an educational program sponsored or sanctioned by the school.⁴ Behavioral expectations, and the consequences of misconduct, will be stated in the student handbook and other publications distributed to students and parents/guardians.

¹ There is no clear legal requirement for a school board policy on discipline. 16 V.S.A. 1161a requires that all schools "...adopt and implement a comprehensive plan for responding to student misbehavior..." The State Board of Education Manual of Rules and Practices includes a school quality standard that refers to a "safe and orderly school environment," and refers to the required discipline plan, but does not require a policy. The Vermont Department of Education has posted guidelines for discipline plan development and several other resources on student discipline issues on its website at

² See 13 V.S.A. §4016(a)(2) for definition of "dangerous or deadly weapon."

³ 16 V.S.A. §1162(a).

⁴ The "knives, weapons and dangerous instruments" prohibition in this model policy is not required by law. The possession of "dangerous and deadly weapons" on school grounds by any individual is prohibited by 13 V.S.A. §4004. This prohibition does not apply to the possession of firearms in schools for "instructional or other specific purposes." 13 V.S.A. §4004(c)(2).
