**BROOKLINE-NEWFANE**  
**SCHOOL DISTRICT BOARD POLICY**  
**EMERGENCY CLOSING**

The superintendent may order the closing of any and all schools whose operation on a short-term basis would pose a serious threat to students or staff. Such emergencies may be caused by weather conditions, equipment breakdown, bomb threats, nuclear plant conditions or health problems. The superintendent will also have the authority to delay school opening or dismiss early due to inclement weather or other emergencies. In all cases, notification will be given to staff and the public according to a predetermined plan developed by the superintendent. The board chair will be notified as soon as practicable by the superintendent when the school is closed or delayed due to emergencies.
