^[1] This policy is required of school districts that operate Title I schools. Comparability requires that LEAs document that the services provided with state and local funds in Title I schools are comparable to those provided in non-Title I schools in the LEA. If an LEA serves all of the schools in its district with Title I funds, the LEA must use state and local funds to provide services that, taken as a whole, are “at least comparable” in each participating school. The comparability requirements do not apply to an LEA that does not have more than one building for each grade span.

^[2] Required by 20 U.S.C. §6321(c)(3).
