

## **Federal Child Nutrition Act Wellness Policy F28 (Marlboro)**

**Purpose.** The intent of this Policy is to ensure compliance with the local policy requirements of the federal Child Nutrition and WIC Reauthorization Act of 2004.<sup>1</sup> In accord with those requirements, this Policy has been developed in consultation with parents, students, representatives of the school food services authority, school administrators and the public.

**Policy Statement.** It is the policy of the Marlboro School district to establish goals for nutrition education, physical activity and other school based activities that are designed to promote student wellness. With the objective of promoting student health and reducing childhood obesity, the district will also establish nutrition guidelines for all foods available at school during the school day.

### **I. Goals for Nutrition Education.<sup>2</sup>**

- A. The school district shall provide nutrition education programs as required by state law and regulations of the State Board of Education. In particular, the district shall provide a nutrition component in its Comprehensive Health Education program and shall develop curricular programs intended to accomplish applicable goals enumerated in the Vermont Framework of Standards and Learning Opportunities.<sup>3</sup>
- B. Nutrition education programs shall be conducted by appropriately licensed staff members.
- C. To the extent practicable, nutrition education shall be integrated into core curricula in areas, such as science and family and consumer science courses.

### **II. Goals for Physical Activity.<sup>4</sup>**

- A. The district shall provide physical education classes for all students as required by Vermont School Quality Standards.
- B. The district shall provide other physical activity opportunities for students through recess periods in appropriate grades and, as appropriate, before

or after school activities such as interscholastic athletics and physical activity clubs or intramural sports.

### **III. Goals for Other School Based Activities.<sup>5</sup>**

- A. The district shall ensure that guidelines for reimbursable school meals are not less restrictive than regulations and guidance issued by the Secretary of Agriculture pursuant to sections (a) and (b) of section 10 of the Child Nutrition Act and section 9(f)(1) and 17a of the Richard B. Russell National School Lunch Act as those regulations and guidance apply to schools.<sup>6</sup>
- B. The district shall provide adequate space for eating and serving school meals.
- C. The district shall provide a clean and safe meal environment for students.
- D. The district shall establish meal periods that provide adequate time to eat and are scheduled at appropriate hours.
- E. Food shall not be used in district schools as a reward or punishment.
- F. The district shall provide training opportunities as appropriate for food service and other staff members in areas of nutrition and wellness.

### **IV. Nutrition Guidelines.<sup>7</sup>**

- A. No foods of minimal nutritional value, as listed in 7 CFR 210, Appendix B and 7 CFR 220, Appendix B shall be sold in food service areas during breakfast and lunch periods.<sup>8</sup>
- B. The sale of foods during meal periods in food service areas shall be allowed only if all income from the sale, including the sale of approved foods or drinks from vending machines, accrues to the benefit of the school, the school food service program, or the student organizations sponsoring the sale.<sup>9</sup>

<sup>5</sup> These goals are illustrative. Local policy makers should consider the addition of locally established goals. For examples of goals used elsewhere, consult the resources listed in the material accompanying this policy.

<sup>6</sup> This provision is required of schools participating in National School Lunch and Breakfast programs.

<sup>7</sup> The federal law requires that local wellness policies include “nutrition guidelines selected by the local educational agency for all foods available on each school campus...during the school day with the objectives of promoting student health and reducing childhood obesity.” Include locally established guidelines as appropriate.

<sup>8</sup> Required of schools participating in National School Lunch and Breakfast programs.

<sup>9</sup> Required by cited federal regulations.

- C. To the extent practicable, the district shall ensure that foods offered at school other than through the National School Lunch or School Breakfast programs, including foods sold through vending machines, shall comply with the A la Carte and Vending Guidelines established by the Vermont Departments of Health and Education.

**V. Policy Implementation.**<sup>10</sup>

- A. The superintendent or his or her designee shall monitor district programs and curriculum to ensure compliance with this policy and any administrative procedures established to carry out the requirements of this policy.
- B. The superintendent or his or her designee shall report at least annually to the board on the district's compliance with law and policies related to student wellness. The report shall include an assurance that district guidelines for reimbursable meals are not less restrictive than regulations and guidelines issued for schools in accordance with federal law.
